**Christine O’Shaughnessy of Roxbury is appointed to the
Margaretville Health Foundation Board of Directors**

Margaretville, N.Y. – Dec.12, 2010 – Christine O’Shaughnessy has been appointed to the Margaretville Health Foundation Board of Directors. Mrs. O’Shaughnessy is a licensed real estate sales person with Coldwell Banker Timberland Properties in Stamford, NY for the past five years. She attended the Borough of Manhattan Community College and worked in the fashion industry for many years until moving to Roxbury over 10 years ago.

Christine has two daughters (ages 10 and 14). Her husband Sean is a member of board of Roxbury Arts Group and has a radio program on WIOX. Christine volunteers her time for the Delaware County Humane Society and enjoys helping them in any way she can.

“In appointing Christine to our board, we are gaining a member who is familiar with Mountainside Residential Care Center where her father is residing,” Heather Brighton, Chair of the Foundation’s Board of Directors said. “She is also bringing a depth of knowledge of the real estate trends and its resources that is going to be invaluable as we embark on our annual fundraising appeal.”

The Margaretville Health Foundation’s mission is to support the needs of Margaretville Hospital and Mountainside Residential Care Center by building a strong and dynamic endowment through tax-deductible gifts, transfers of securities, bequests through wills, trusts and matching grants.

“Every dollar we raise stays in Margaretville and directly supports the hospital and nursing home,” said Ms. Brighton. “I hope that the residents will continue to support the hospital and its commitment to the community.”

About HealthAlliance of the Hudson Valley®

HealthAlliance of the Hudson Valley is the alignment of Benedictine Hospital (150-bed acute care facility), Kingston Hospital (150-bed acute care facility), Margaretville Hospital (15-bed critical access facility), Mountainside Residential Care Center (82-bed skilled nursing facility) and Woodland Pond at New Paltz (continuing care retirement community). As the parent organization, HealthAlliance provides a unified governance structure, while still allowing each hospital to continue as a separate and distinct corporation. The goal of HealthAlliance is to strengthen the quality of care and bring forward enhanced technology to serve the present and future healthcare needs in the Hudson Valley. HealthAlliance and its affiliate facilities are committed to providing compassionate, patient-centered care and ensuring patient safety, privacy and dignity to all. For further information about HealthAlliance visit our website at www.HAHV.org.
