

SURPRISE BILL DISCLOSURE

Important Information about Paying for Your Care at HealthAlliance Hospital: Broadway Campus, Mary s Avenue Campus and Margaretville Hospital

HealthAlliance entities are participating providers in many health plan networks. You can find a list of the plans in which we participate at : <http://www.hahv.org/wp-content/uploads/2016/06/Insurance-participation-6.1.16.pdf>. Some health plans use smaller networks for certain products they offer so it is important to check whether we participate in the specific plan you are covered by. Our list will tell you if we do not participate in all of a health plan's products.

It is also important for you to know that the physician services you receive in the hospital are not included in the hospital's charges. Physicians who provide services at the hospital may be independent voluntary physicians or they may be employed by the hospital. Physicians bill for their services separately and may or may not participate in the same health plans as the hospital. You should check with the physician arranging your hospital services to determine which plans that physician participates in. Plan participation information for physicians employed by the hospital can be found under the Hospitalist contact information on this disclosure. HealthAlliance contracts with a number of physician groups, such as anesthesiologists, radiologists and pathologists, to provide services at the hospital. Contact information for the physician groups the hospital has contracted with is attached at the end of this notice. You should contact these groups directly to find out which health plans they participate in.

You should also check with the physician arranging for your hospital services to determine whether the services of any other physicians will be required for your care. Your physician can provide you with the name, practice name, mailing address and telephone number of any physicians whose services may be needed. Your physician will also be able to tell you whether the services of any physicians employed or contracted by HealthAlliance Hospital are likely to be needed, such as anesthesiologists, radiologists and pathologists. Contact information for these physicians is attached at the end of this notice. You should contact these groups directly to find out which health plans they participate in.

Hospitals are required by law to make available information about their standard charges for the items and services they provide. You can obtain information regarding hospital charges, by contacting our Business Office at (845)–334–2743 or you can stop by our offices at 741 Grant Ave., Lake Katrine, New York 12449.

If you do not have health insurance, you may be eligible for assistance in paying your hospital bills. Information about financial assistance is available at <http://www.hahv.org/manage-care/financial-assistance>, on the back of your bill or you may contact our financial assistance office at (845)–334–2743. We are available to take your call Monday through Friday 8am to 4pm. If you call after business hours, please feel free to leave a message and we will get back to you on the next business day.
