**NOTE:** This is a list of the insurance plans most commonly seen at our HealthAlliance campuses. If you have an insurance plan not listed here, or if you need clarification of our participation status, please contact our central billing office at 845-334-2743, 8 a.m. – 4 p.m., Monday through Friday.

Additionally, physician services provided in the hospital may not be included in the hospital's charges. Patient's should check with the physician arranging the hospital service to determine the health care plans with which the physician participates since physicians who provide services in the hospital may or may not participate with the same health care plans as the hospital.

HealthAlliance does not employ physicians directly, but our Surprise Bill Disclosure identifies the names, addresses and phone numbers to contact these physicians directly for further information on the health care plans in which they participate.
